GWconnect®

Molex Delivers Heavy-duty Industrial Solutions with GWconnect® – Now in Stock at TTI

The Molex GWconnect line includes heavy-duty connectors for electric and electronic machinery, robots, electric panels, control equipment and power, control or signal circuit connectivity. This new product family from Molex offers products rated to IP66 or IP67 for industrial applications, and IP69K (EN 60529) for applications where frequent wash downs are required, or aggressive substances are present.
