These enclosures protect your PCB from the environment

Key features ECS

- UV-stabilized PC plastic (UL 94-V0)
- Integration with field connection (e.g. M8, M12)
- Ingress protection of IP66/67
- Wall or pole mount (optional)
- Optional breather vent
- Tamper protection
- PCB stop enables easy maintenance to PCB (optional)
- Operation temperature of -40 to 85°C
- Color: black RAL 9005
- Accepts .062 in (1.57 mm) and .093 (2.36 mm) PCB thickness

One enclosure				Faceplates options	
Enclosure type	Size	Vented	Order no.	Connectors	Order no.
 Latch-lock	176x180x64	Yes	2230000	Blank - no connectors	2230004
	176x180x64	No	2230001	One M12 nut	2230005
				Two M12 nuts	2230006
				Cable gland (6-12 mm)	2230007
 Screw-lock	163x180x64	Yes	2230002	Blank - no connectors	2230008
	163x180x64	No	2230003	One M12 nut	2230009
				Two M12 nut	2230010
				Cable gland (6-12 mm)	2230011
